ASSEMBLY GUIDE

Please read this entire manual before installation and use of this pellet fuel-burning appliance. Failure to follow these instructions could result in property damage, bodily injury, or even death. Contact your local building or fire officials about restrictions and installation inspection requirements in your area.

A MAJOR CAUSE OF FIRES IS FAILURE TO MAINTAIN REQUIRED CLEARANCES (AIR SPACES) BETWEEN COMBUSTIBLE MATERIALS. IT IS OF UTMOST IMPORTANCE THAT THIS PRODUCT BE INSTALLED ONLY IN ACCORDANCE WITH THESE INSTRUCTIONS. SAVE THESE INSTRUCTIONS.

WARNING!

MANY PARTS OF THE GRILL WILL BECOME VERY HOT DURING OPERATION. CARE MUST BE TAKEN TO AVOID BURNS, BOTH DURING OPERATION AND AFTERWARDS, WHILE THE GRILL IS STILL HOT.

Never leave the grill unattended when young children are present.

Never move the grill when it is operating.

Let the grill cool completely before moving or attempting to transport.

READ ALL INSTRUCTIONS BEFORE INSTALLING AND USING THE GRILL

Traeger'ing is more fun with friends! (No, really, you will need two people to lift the grill.)

BEFORE ASSEMBLY: REMOVE GRILL PARTS AND PACKAGING

NOTE: You should assemble grill on a clean, flat surface, as you will need to lay it on its back at times during assembly.

THIS WILL REQUIRE TWO PEOPLE.

NOTE: We recommend you use the packaging material to prop up the grill to make attaching the legs easier.

I INSTALL LEGS

2 INSTALL LEG BRACES

3

INSTALL WI-FI ANTENNA, POWER CORD, AND SIDE SHELF

THIS WILL REQUIRE TWO PEOPLE.

NOTES

NOTES

WELCOME TO THE WOOD FIRED REVOLUTION

GET THE MOST OUT OF YOUR GRILL

WiFIRE gives you the freedom to grill on the go anytime, from anywhere by letting you change temperatures, monitor food temps, and more right from your smart phone. Simply download the Traeger App to connect your grill to your phone and home network. To learn more about WiFIRE, the Traeger App and more ways to connect, go to traegergrills.com/app.

HARDWOOD PELLETS

At Traeger, we're big on taste. That's why we create our own 100% all-natural hardwood pellets, ensuring only the best quality wood is used to flavor your food and burn the most efficiently and reliably. Our pellets are designed exclusively to work with our controller and proprietary Grilling Logic. We can't guarantee the same results from other pellet brands, so we always recommend using our pellets for the optimal experience.

RECIPES

Now to the best part—the food. Let our culinary creations inspire you, from the Traeger Chicken Challenge and baked apple pie to smoked cocktails and jalapeño poppers, find recipes for any occasion through the Traeger App. Plus, with GrillGuide you'll be able to master more recipes thanks to its step-by-step guidance through the entire cook cycle. All of these recipes and more can be found on the Traeger App or at traegergrills.com/recipes.

SAFETY & MAINTENANCE

Regular cleaning of your grill will avoid grease buildup while maintaining peak performance and temperature. Making sure your grill is clean has never been easier thanks to Traeger's lineup of products like our custom Drip Tray and Grease Bucket Liner, as well as our All Natural Cleaner. Remember, your Traeger gets really hot, so always keep your grill at a safe distance from your home or any combustible materials. We recommend keeping at least 18 inches (45.7 cm) on all sides free as well as 40 inches (102 cm) overhead.
